I'm so happy you stopped by my store and found something to use with your students or in your classroom! Just a few things to note about your purchase....

This product is subject to copyright under the Digital Millenium Copyright Act (DMCA). All rights to this product belong to Create Dream Explore.

This product is for use in one classroom or for one teacher. You may make copies for your students each year.

You may not upload this file anywhere on the internet. This includes private servers, school district sites, class websites, sharing sites, Facebook Groups etc.

You may not share this file outside of your own classroom and students. Additional licenses can be purchased at a significant discount if you would like to share with other teachers.

Thank you for your purchase!

This second grade morning work pack is perfect for the beginning of the year or you could mix the pages in with my other morning work packs throughout the year.

You can create a booklet using the cover provided or insert the pages into a binder or duo-tang/folder.

Morning work is perfect for when students come in the classroom and you are busy attending to notes from parents, student agendas, etc. Your students can quietly come into the classroom and begin working on their morning work. It provides extra practice for literacy and math skills as well as other subjects.

I hope your students enjoy the pages!

If you have any questions about this or any other product in my store, please contact me through the Q & A section of my store or by email:

One day, a little girl and a little boy went to the park. They saw a slimy green alien at the top of the slide. They didn't know what to think! They watched him carefully and decided he wasn't scary. So they asked him what his name was. He replied, "Glurp Glurp". The kids told him their names and showed him how to slide down the slide. He left a green slimy mess on the slide.
