To: All Parking Permit Applicants

Parking permits at Medina Jr-Sr High School are a privilege that must be earned and are subject to ongoing review. In order to qualify for a parking permit a student must meet each of the following criteria:

1. Be a Junior or Senior student.
2. Have an acceptable disciplinary record approved by the school administration.
3. Have a valid NYS driver's license. A copy will be made and kept on file.

Parking permits will be revoked:

1. If reckless driving occurs (speeding, swerving, passing buses, etc.)
2. If you are truant from school.
3. If you are chronically late to school.
4. If you leave school grounds without permission.
5. If you lend your permit to another student.
6. If you break school rules while in your vehicle or in the parking lots (ex: smoking, vaping, etc...).

Please note the following:

1. You may receive a maximum of two parking permits per school year.
2. All vehicles must belong to the family of the applicant. You may not register a friend's vehicle.
3. Having a parking permit does not guarantee you a parking space.
4. Student vehicles must be parked in the upper lot only (near model farm).
5. Any vehicles not in properly marked spaces may be towed at the owner's expense.

If you have any questions regarding these parking regulations, please contact one of the administrators before signing the acknowledgement on the attached form.

**NOTE: VEHICLES REGISTERED LAST YEAR DO NOT NEED TO BE RE-REGISTERED THIS YEAR.**
