

# Privilege Pass for Seniors

**ALL SENIORS will start the year with a privilege pass. A senior with a privilege pass will have the opportunity to leave campus during lunches and study halls. However, a student may not leave the building without parental permission on file in the main office.**

**A student may not leave the building during a scheduled class and must be on time for all classes. Additionally, seniors must be passing all courses in which they are enrolled, and maintain at least a 70 average in all courses required for graduation. Privilege passes will be monitored every 5 weeks with report card and progress report data. If a student loses his/her privilege pass, the pass will be revoked for the entire 5 week period. Any student found in violation of privilege pass expectations will be subject to disciplinary consequences up to and including the loss of his/her privilege pass.**

**In order to have permission to leave the building during lunch and study hall, the bottom portion of this form must be completed and kept on file in the main office.**

---

I give permission for my child, \_\_\_\_\_ to leave  
school grounds during his/her lunch and study hall(s) for the 2023-24 school year.
