April 2021

Dear Medina Community Members,

On April 21, 2021, the Medina Central School District Board of Education adopted the proposed budget for the 2021-22 school year in the amount of \$39,323,374, which will be voted on by the community on May 18, 2021. **This budget holds the tax levy flat**, while maintaining all academic and extra-curricular programs, including modified sports, gifted and talented opportunities, and clubs. While there are staff reductions in this budget, with several retirements this year, all staff cuts will be accomplished through attrition.

Next year's proposed budget accounts for the challenges schools have faced during the COVID-19 pandemic, and will allow the district to do everything possible to address the learning loss that has happened during the recent school shutdowns.

The budget was developed with the vision and mission of the Medina Central School District guiding all budgeting decisions. Additionally, the long range fiscal planning of our Board of Education has allowed the District to submit a budget that holds or reduces the tax levy for the tenth straight year. We appreciate the hard work and expertise of these dedicated individuals. Our Board members have worked diligently with the administrative staff to create a budget that is fiscally responsible, and one that exemplifies excellence in education.

Please remember to exercise your right to vote on our school budget between noon and 8:00 pm on May 18 at your District Office of the Medina Central School District.

Sincerely,

Mark B. Kruzynski
