Dear Medina Central School District Families and Staff,

This letter is to inform you that the following positive COVID cases were reported to the Medina Central School District.

High School - 1 positive student. This student is 100% Virtual, and the Department of Health has determined that no further quarantines are required from school contact.

Wise Middle School - 1 positive student. The district is in the process of notifying the families of anyone who may have come into close contact with the student. Out of an abundance of caution, this student's class will switch to 100% virtual during the quarantine period.

Oak Orchard Elementary School - 1 positive student. The district is in the process of notifying the families of anyone who may have come into close contact with the student. Out of an abundance of caution, this student's class will switch to 100% virtual during the quarantine period.

District-Wide Staff - 2 positive staff members who are not based in a school building. The school has already notified anyone who needs to be quarantined.

As always, the Medina Central School District works closely with the Department of Health to assist with their contact tracing efforts. Thank you for all you're doing to keep yourselves and our students safe!

Sincerely,

Mark Kruzynski
