Dear Parent/Guardian:

The purpose of this letter is to inform you about an issue that has caused concern amongst the Medina Central School District community. At approximately 6:45 am this morning, the district was made aware of a social media posting telling kids to stay home today because of possible violence at the school.

Police were contacted immediately, who investigated the social media post and recommended that schools remain fully open today, with enhanced security measures throughout the day to ensure the continual safety of our students and staff. There will be an increased police presence on campus today to help assuage any fears that people may have. Again, I would like to stress that our professional law enforcement has investigated this post, and has recommended that schools remain fully open today.

The safety and security of all our students and staff is our top priority. If you have any questions or concerns, please call your child's principal directly.

Sincerely,

Mark Kruzynski  
Superintendent of Schools
